

HOME MADE BLOOD MEDICINE

**SPLENDID PRESCRIPTION
SHOULD BE KEPT IN
HOUSEHOLD**

BLOOD MUST BE PURE

**This Makes the Kidneys Filter
the Poisons From
the Blood—Try It**

A leading journal in answering the question, "What is the best prescription to clean and purify the blood," prints in a recent issue the following: "Fluid extract of Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces. Shake well and use a teaspoonful dose after each meal and at bedtime."

A well known local druggist who is familiar with his prescription states that it is harmless, being composed of vegetable ingredients which can be obtained from any good prescription pharmacy.

It cleans the blood of all impurities and purifies the blood. In just a few days the skin begins to clear of spots, boils and pimples. It puts vigor and energy into run-down debilitated men and women. For many years Sarsaparilla alone has been considered a good blood medicine. But while it built up and made new blood, the impurities remained within and the good accumulated was only temporary. Sarsaparilla, however, when used in combination with Compound Kargon and Extract Dandelion works wonders. This combination puts the kidneys to work to filter and sift out the waste matter, uric acid and other impurities that cause disease. It makes new blood and relieves rheumatism and lame back and bladder troubles.

This prescription is better than the usual patent medicines, which are in the most part alcoholic concoctions. The ingredients are but little. They may be procured at home. Every man and woman here should make up and try it if they feel their system requires a good blood medicine and tonic.

The Kargon to clean the kidneys and vitalize them so they can clean the blood. Sarsaparilla to make new blood and Dandelion to tone the stomach, clean the liver and make it a live and relieve constipation is the way the prescription acts and so mildly and gently that one does not consider they are taking medicine.

**MINNESOTA SHAFT
RAISED AT VICKSBURG**

(By Associated Press.)
Vicksburg, Miss., May 24.—In the presence of a large crowd that included scores of veterans of the civil war in uniform of blue and gray, Governor Johnson of Minnesota and Vardaman of Mississippi today dedicated the monument erected by Minnesota in the Vicksburg Battle Park in memory of the soldiers of Minnesota who participated in the siege and capture of Vicksburg by General Grant in 1863.

The business section of Vicksburg and the main thoroughfare leading to the park were profusely decorated in the national colors. The dedicatory ceremonies were of a simple but impressive character. Speeches were made by Governor Johnson and Vardaman, Chief Clerk Schofield of the War Department, General L. F. Hubbard of the Minnesota monument commission, and others.

The Minnesota memorial is a \$25,000 obelisk, made of rough faced granite, towering ninety feet high and bearing suitable inscriptions about its base. In addition to the central monument there were placed a number of markers showing the ground stained by the Third, Fourth and Fifth Minnesota volunteer infantry and the First Minnesota artillery in the memorable siege.
